

VIRTUAL BUSINESS PROCESSES ALLOW YOU TO DO ANYTHING, ANYTIME, ANYWHERE.

Alloy Silverstein's partnership with **Bill.com** gives business owners the capability to virtually monitor and control their organization's accounts payables and receivables.

With a secure bank account synchronization, you can send and receive payments electronically, generate client invoices, download complete audit trails, view cash forecasts, collaborate with your team members, and more, all from **Bill.com** on a web browser or mobile device. Reduce fraud risk and get paid faster today.
