Register:  
By emailing  
[events@alloysilverstein.com](mailto:events@alloysilverstein.com)

Federal Qualified Opportunity Zones were introduced as a tax strategy as part of the Tax Cuts & Jobs Act of 2017.

Join us for an informational session to break down what an Opportunity Zone is, what it means for capital gains deferral and reduction opportunities, where the designated zones are in the New Jersey and Philadelphia markets, and what the process is like for investors and real estate professionals.

Featuring Guest Speaker:

**Brad A. Molotsky, Esq.**  
Duane Morris, LLP
