

# COVID-19 Business Tax Consulting

Alloy Silverstein is here to help your business regarding potential state and local tax implications of a remote workforce due to the COVID-19 Pandemic.

## We can help you with the following services

- » Tax implications of a remote workforce
- » State & local tax laws
- » Nexus rules and tax filing requirements
- » The importance of employee's locations
- » What a permanent remote workforce could mean for your business

*State nexus rules are constantly changing and extremely specific. Let our advisors help you understand where your business stands.*
