

# Go beyond the numbers to help **grow your business.**

Alloy Silverstein's **Small Business Services Division** is dedicated to empowering small business owners to better understand their business performance, prioritize their valuable time, and make smarter business decisions while on the path towards business growth.

## BOOKKEEPING SOLUTIONS

### Bookkeeping

Our certified bookkeepers have years of experience and truly help simplify the transactional accounting tasks that are involved with running a successful business. Our team can service clients either on-premises or 100% remotely.

### Support

Bookkeeping software is most efficient when the features and functionality are fully understood and utilized correctly. Our experts can help clients navigate QuickBooks Online or desktop, Xero, app integrations, and other software.

### Consulting

It's one thing to see the numbers, it's another to comprehend their meaning. We welcome conversations to guide clients in understanding the profitability of their business, assessing up to 8 key areas that affect company growth.

### Reporting

Knowledge is key. We can provide daily, monthly, quarterly and annual reports such as Profit and Loss Statements, Accounts Receivable summaries, Accounts Payable summaries, and more custom reports quickly and efficiently.

## Outsourceable Business Functions

Focus on the areas of your business that matter most, while our professionals handle:

- Accounts Payable
- Accounts Receivable
- Reconciliations
- Write-Ups
- Monthly Close
- Quarterly Reviews
- Annual Reviews
- Billing Automation
- Sales Tax Returns
- Budgeting
- Cash Flow Projections
- Forecasting
- Profitability Analysis
